Mr. E. B. Felt, Sir: The composition invented by you for the deaf, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It is agreeable and beautiful to the ears, and clear and distinct to the eyes. We think your preparation is an ultimate desideratum, which we are so frequently the result of many well-known patented compositions. ***

"BOGLE'S AMOLE,"

A COMPOUND FOR SHAVING.

This delightful article is entirely different and as
superior to anything yet invented for shaving. This
base of it is derived from the *Bogles*, a famous plant
of California, an article used by the natives of that
country for washing, and next, the use of strong al-
cohol, as hard on the skin, is avoided, its vegetable
